

# Musicians Application Guide

## Beckview Studios Live Lounge

### Here are some tips for filling out the form on our website.

**Music:** You can provide links to your recorded material by sending a Spotify, YouTube, SoundCloud or Mixcloud link. If you are sending unreleased material, private links from platforms like YouTube, Dropbox, or any of the above would be great. Performance videos are also accepted.

**Social media:** Please provide your band/artist social media profiles.

**Additional Information:** This might include your artist bio, such as

- You or your band's origin town/city.
- Your musical genre (including relevant sub-genres)
- Number of band members and list of instruments. (If applicable)
- Formation year (and number of albums released, if applicable)
- Upcoming releases, shows, or music videos.
- Positive press quotes (highlighting your unique sound)
- Don't worry if you don't include all the above.

**Photos:** If your application is successful, we will request a press picture of you or your band to include in any promotional material going out about the event. Professional photos are helpful, but not a necessity, and high-quality shots that showcase your personality work well also.

We look forward to receiving your application.
